Three Non-Monetary Perks Employees Want

As a small business owner, your ability to attract and retain skilled talent can significantly impact your business's success. But hiring can be daunting, according to an August 2023 monthly jobs report from the [National Federation of Independent Business \(NFIB\)](#). In the report, 40% of small business owners reported job openings they couldn't fill — the lowest level since February 2021 — leading to 26% of owners planning to raise compensation in the next three months.

Why Small Business Owners Should Explore A 'Digital Detox'

In the world of work, our reliance on technology is ever-growing for companies big and small. We are spending more time in front of a computer or some screen. While computers and tablets are making our jobs easier by increasing our productivity and the quality of our output, spending too much time on them can impact our health and overall performance.
