My Association Travel App is More Than a Navigation App

Access all your association benefits on the road in real-time, all in the palm of your hand.

The Nexit Navigational Platform is being introduced to association members for the very first time. Forbes Magazine referred to the Nexit app as, "The Swiss Army Knife of navigational apps," for a reason!

The Nexit Navigational App provides all the conveniences consumers have come to expect while also offering something no other mobile mapping app has fully integrated: real-time, road-trip relevant discounts, exclusive offers and personalized journey mapping customized for the individual app user.

This is a feature other mobile navigation apps simply can't match.

Download our free app, or visit us online.
