Testimonials

"Yesterday, I was excited to receive your letter notifying me that I had been awarded a 2022 scholarship from AIBC. I want to thank you and let you know how much I appreciate this chance to be linked with an organization that champions the drive, facilitates the

successes and celebrates the uniqueness of small businesses.

My family's history made up of many entrepreneurs and I am one, myself.

I will continue to work to pay for my college as a small business owner. This scholarship from AIBC will very much help me to meet my financial goals related to this and I am most appreciative. I will make AIBC proud as I continue the coalition's tradition and my own family's tradition of self-reliance, independence, excellence and hard work and I progress towards graduation.

I am so grateful to this committee for this opportunity to be awarded for merit and my achievements. Please know that this award only motivates me more to continue to set and achieve my goals. AIBC's recognition of my hard work is gratifying and rewarding. Please know what an impact this committee and this scholarship has made on me as a college student. Thank you all."

Dear American Independent Business Coalition,
I'm writing to thank you for your generous scholarship. I was so appreciative to learn that I was selected to be a recipient. By awarding me this scholarship, you've lightened my financial burden, which allows me to focus on the most important aspect of school: learning. Your generosity has been so inspiring to me, and I hope one day I'll be able to help students achieve their goals just as you've helped me.

Thank you again,
Elizabeth Richardson
