\*Utilization rates reported in the MCR is intended for directional insight; these numbers are not contract specific and do not count utilization the same way in all reports, see definitions for calculation detail. If your organization has a utilization calculation in your agreement, please contact your account manager to discuss.

# CLEVER 🗪

Clever RX is the future of prescription savings! With high deductible health plans, high copays and the under-insured population – over 70% of Americans can save money using our prescription drug savings card.

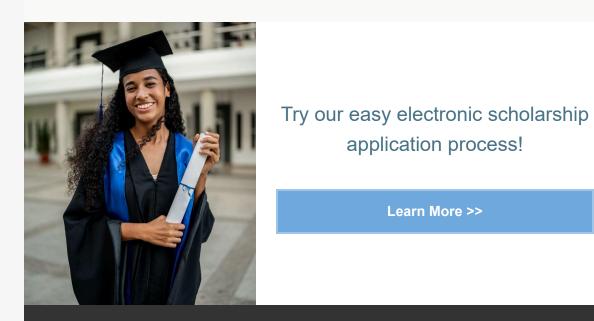

#### Why Should You Use Clever RX?

Over 70% of people ages 18-64 can benefit from a prescription savings card due to increasing costs of high deductible health plans, high copays while being under-insured or uninsured.

40% of the top ten prescription drugs have increased in price by over 100%, while prescription benefits are rapidly decreasing. The average family of four gets over 30 prescriptions per year. Many of those prescriptions are either not covered or are too expensive on their health plans.

> Download the FREE Clever RX App. From your app store, search "Clever RX" and hit download.

At **That Suits You** we are so excited to provide men with professional attire to help them get back to work and to high school seniors for prom and graduation. Whether they are receiving attire or information we have seen the joy, excitement and appreciation from all of the men we have served. We could not do what we do without the generous donors all over the nation who have supported us either financially or with professional attire. We so appreciate everyone who has donated and helped these men.
